2025 Parent Payment Arrangements

Dear Parent/Guardian,

Bourchier Street Primary School is looking forward to another great year of teaching and learning and would like to advise you of Bourchier Street Primary School's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to continue to provide enhanced learning opportunities, rich experiences and a diverse range of resources for our students. Bourchier Street Primary School makes every effort to keep the cost of items and activities to a minimum and affordable for all parents. We are proud of the outstanding programs and learning environment we provide for all students. The School Council recognises the importance of requesting parent payments and contributions to maintain this high quality.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

GARY D'ARMA
PRINCIPAL

ANNIE MANNING
SCHOOL COUNCIL PRESIDENT
